

CALLING ALL VOLUNTEERS!

Artificial Intelligence Advisory Ethics Panel

Can you spare some time for your community?

WHO ARE WE?

- We are an independent panel established to provide independent oversight, guidance, and ethical scrutiny of the investment in, use and deployment of AI technologies within policing and criminal justice functions overseen by the PCC. The panel ensures that AI applications are lawful, ethical, transparent, and aligned with public interest.

WHAT IS OUR GOAL?

- We aim to ensure accountability, through openness and transparency with the police service, provide learning and increase public confidence in the police.

WHAT DO WE DO?

- We assess and consider all proposed AI driven systems, Live Facial Recognition and provide feedback to the PCC and Chief Constable.
