

KEY DECISION

POLICE AND CRIME COMMISSIONER FOR BEDFORDSHIRE

Title and Reference – PCC/D/039

Subject: Appointment of a firm to support the OPCC with HR and Legal matters and the intention to appoint a firm via the Crown Commercial Services Framework to support the OPCC with Estates Work.

Report of: Police and Crime Commissioner

Date: 08/04/2022

Summary

The Police and Crime Commissioner has appointed a firm via the Crown Commercial Services Framework to advise on property matters to support his responsibilities for the police estate. A firm has also been appointed to support the Office of the Police and Crime Commissioner (OPCC) with HR and Legal matters, as the current contract with Croner entered into by the OPCC in December 2020 is silent on disciplinary matters and lacks the background in dealing with OPCC/Police Staff matters.
