

Bedfordshire Police and Crime Commissioner's Grant Fund 2018/ 2019 – Funded Organisations

Ref No (GF):	Organisation:	Project Title:	Awarded	Summary:	Priority
3	Beds Police	Operation Night Owl	1796.00	The operation, commenced on 5th January 2018, sees a return to dedicated weekend night-time economy (NTE) policing with a focus on the key locations for NTE demand: Luton, Dunstable, Leighton Buzzard and Bedford Town Centres. Part of the wider operation is to look at initiatives to reduce crime, disorder, and ASB. One of these is a proposed provision of body worn cameras to door staff.	<p>3) Police being available when we need them most</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
4	Beds Police	Cohesion Thank You Dinner	10000.00	We intend to organise and host an event to recognise and celebrate the extensive list of community members who have supported the team and worked towards achieving policing objectives. The event will reward the hard work and dedication of those who assist in keeping our communities safe and highlights positive work of the force in addition to providing a networking opportunity and building resilience and familiarity between our diverse communities for the coming year.	<p>7) A Commissioner for all communities</p> <p>2) Rebuild confidence in police</p>

8	FACES	Changing FACES	68058.00	Link to Change and FACES will work together to deliver an innovative project which will support children, young people and their families who are victims of, at risk of or vulnerable to CSE and/or Sexual Violence (SV) and/or Trafficking. Two full time employees, one employed by Link to Change and one employed by FACES, will work from the same office to deliver holistic, open ended support services as detailed in this application.	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
9	Home-Start Central Beds	Pattern Changing Programme	16364.45	To run three Pattern Changing ten week courses in Central Bedfordshire for female victims of domestic abuse. The course helps women cope and recover by regaining confidence and self-esteem, learning practical strategies to set boundaries and act assertively. Women gain empowerment, are assisted with future goals and are therefore less likely to be targeted by perpetrators of abuse or return to the abuser, and are also more aware of support available.	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>

10	ACCM	Supporting Victims and Survivors of Violence including Domestic Abuse, Serious Sexual Violence and Female Genital Mutilation and working with emerging, hard to reach and hidden male victims of abuse.	14000.00	ACCM (UK) works to improve the wellbeing of Bedfordshire residents by empowering vulnerable individuals and communities to challenge all forms of violence. We particularly seek to tackle harmful and illegal traditions practiced amongst disadvantaged and hard-to-reach BAME communities through community-engagement activities and legal, educational, health awareness, parenting and family support. We also work in partnership with statutory agencies to empower professionals with better understanding of complex cultural issues influencing choices faced by at risk individuals.	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible,</p> <p>7) A Commissioner for all communities</p>
11	Bedfordshire Police – Community Cohesion Team	Community Cohesion Champions	4500.00	Community Cohesion Champions is a one of a kind initiative that is led by the Community Cohesion team which aims to involve young people aged 13-15 years old in helping their communities, raising money for local charities and learning about different elements of policing.	<p>7) A Commissioner for all communities</p> <p>2) Rebuild confidence in police</p> <p>1) Visible community policing</p>
12	Midshires Search and Rescue	Collaborative Training for Bedfordshire Police, Fire & Rescue and Midshires Search & Rescue	2000.00	Joint training to promote collaborations between partner organisations' when working together in missing person searches and other operations. The multi-agency thrust of this project will enhance the capabilities and efficiency of the local search provision and aims to set an example to the wider search community.	<p>6) Protecting police to protect the public</p> <p>3) Police being available when we need them most</p>

13	Bedfordshire LSCBs	Delivery of Alter Ego's 'County Lines' theatre production to all secondary/upper schools and colleges within Bedfordshire.	26500.00	To raise awareness around child criminal exploitation, specifically the strand of the county lines drug trafficking model that sees vulnerable adults and young people living in regional areas of the UK targeted by organized groups and gangs (that have travelled from more urban city areas) to groom, trick, trap and manipulate them into trafficking drugs and sometimes weapons.	4) Putting victims at the heart of the way we police and prosecute 8) Working with partners to break the cycle of crime and prevent where possible
14	The Violence and Vulnerability Trading Company	County Lines and gangs training for front-line practitioners	5000.00	This course is intended to familiarise participants with the basic concepts in the field of gangs, vulnerability and exploitation. It comprises a short presentation, some specific learning resources and a multiple - choice assessment based on several case study scenarios.	4) Putting victims at the heart of the way we police and prosecute 8) Working with partners to break the cycle of crime and prevent where possible
15	Home-Start Central Beds (2)	Helping Hands	9083.00	To deliver ten six weekly courses of Helping Hands programme for 7 to 11 year olds. Helping Hands is a preventative education programme developed by Women's Aid Northern Ireland. The overall aim is to increase children's understanding of feeling safe and to explore and promote behaviours which will contribute to a safe environment.	8) Working with partners to break the cycle of crime and prevent where possible

16	Link to Change	Link to Change Pan Beds Project	67654.00	We will work with the three local authorities in Bedfordshire with staff closely located to children's service to provide a holistic support service to children and young people aged 12 to 26 years who are victims or at risk of becoming victims of Child Sexual Exploitation and exploitation by gangs operating County Lines. Working with fellow professionals/social care/police to report intelligence and keep them informed about our cases, taking referrals from children's services.	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
20	Safer London	The Safer London Training the Trainer Programme	12000.00	This project will focus on extending the reach of the recent County Lines and Gangs training across Bedfordshire through developing and supporting local staff to deliver the course in their own organisations. This will sustain the impact of the work to improve the identification of young people at risk of violence or exploitation. Safer London will train 90 professionals, on a Train the Trainer course, provide quarterly development sessions for programme participants and offer on-going online and telephone support.	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>

23	Beds Police	VARAC	40000.00	<p>The Vulnerability Risk Assessment Conference (VARAC) project is a multi-agency concept to protect the most vulnerable individuals over the age of 18 who do not meet high risk thresholds, but whose vulnerabilities place them at risk of harm or becoming victims/perpetrators of crime. The conference enables partner agencies to share information; risk assesses individuals and provides targeted support to mitigate the risk posed to themselves and others, and is already protecting those most at risk.</p>	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p> <p>2) Rebuilding confidence in Bedfordshire Police</p>
24	YouTurn Futures	Reducing Reoffending - IOM (Offender Services Hub)	50000.00	<p>Integrated Offender Management (IOM) brings a cross-agency response to the crime and reoffending threats faced by local communities.</p> <p>Offenders who are causing harm are identified and managed jointly by partner agencies working together.</p> <ul style="list-style-type: none"> • reducing the negative impact of crime and reoffending • reducing the number of people who become victims of crime • helping to improve the public's confidence in the criminal justice system 	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
27	Luton and Bedfordshire Youth Offending Services	Delivery of triage service to Beds Police Custody suites	140000.00	<p>Delivery of triage services: Triage takes place at the point that a young person enters police custody following arrest. Key information is gathered and shared between all statutory agencies providing the early diversion of young people involved in criminality to avoid entry into the CJS.</p>	<p>8) Working with partners to break the cycle of crime and prevent where possible</p>

30	Beds Police Cyber Hub	Mobile Digital Media Triage Vehicle	39419.26	To deliver and maintain the highest levels of integrity during the initial seizure of digital exhibits at crime scenes. To provide early investigative opportunities to positively identify and capture digital evidence, which will enable investigators to maximize opportunities to seek early judicial review, and enhance efforts to maintain the safety of victims and witnesses.	2) Rebuild confidence in police, Protecting police to protect the public
32	Beds Community Watch Schemes	Community Volunteer Watch Scheme Development and Sustainability	8000.00	This project is aimed at supporting and developing Bedfordshire's existing volunteer schemes, including Street Watch, Speed Watch and Horse Watch. Target areas are guided by intelligence and schemes will be tasked to patrol ASB hotspot areas and to carry out Speed checks at risk assessed locations of concern county-wide. I have located areas that have no schemes in place and aim to recruit from the community to assist in raising awareness of community safety.	2) Rebuild confidence in police 8) Working with partners to break the cycle of crime and prevent where possible 5) A fair deal whether you live in the town or country
33	Embrace CVOC	Tailored support for young victims of crime in Beds	35250.00	This project will offer emotional/specialist support to young victims of all serious crime, with a focus on girls/young women and a developing specialism in sexual abuse and domestic violence. Emotional support can be one-to-one counselling or Family Focused Therapy to include other family members, delivered in partnership with Relate. Specialist support may be through our trained ISVAs (Independent Sexual Violence Advisers) or in signposting to other, specialist support agencies	4) Putting victims at the heart of the way we police and prosecute 7) Commissioner for all communities

37	The Hope Programme	Sexual Violence Specialist Support Service	20000.00	Working alongside the Bedfordshire Victims' Hub team, Hope Programme will provide specialist face to face and phone/email support to children and adults affected by sexual violence in Bedfordshire. Delivered by skilled paid and volunteer staff, the service will provide emotional and practical support during the first, critical acute recovery stage to victims whether they choose to disclose or not and their non-offending family members.	4) Putting victims at the heart of the way we police and prosecute
38	Beds Police	Missing the Picture	8000.00	We would look to work with AlterEgo Creative Solutions Ltd (a not-for-profit social enterprise) to create an Applied Theatre production aimed at raising awareness around the links between incidents of young people going missing and Child Sexual Exploitation (CSE). This is also to touch on the approach towards young people dealt with in Police custody.	4) Putting victims at the heart of the way we police and prosecute 8) Working with partners to break the cycle of crime and prevent where possible
39	SMART CJS	The Midland Road Area Community Inclusion Project	10000.00	This project will deliver a mechanism for early intervention in an area with levels of high deprivation, a transient population and red flag indicators of risk of exploitation and victimisation. It will help residents and business of the Midland Road area to build a community, in which they feel included and valued. Building trust to identify hidden victims of crime. The project will allow services within the area to be resourced sufficiently and effectively.	2) Rebuild confidence in police, Commissioner for all communities 8) Working with partners to break the cycle of crime and prevent where possible

41	Redthread Youth Ltd	Hospital-based Youth Violence Intervention Programme	12864.00	Following preliminary conversations with health and policing partners in Bedfordshire, Redthread would like to use this funding to undertake a feasibility study to determine the need for a hospital-based Youth Violence Intervention Programme which would support the young people of Bedfordshire.	8) Working with partners to break the cycle of crime and prevent where possible 4) Putting victims at the heart of the way we police and prosecute
44	Luton All Women's Centre	Forced Marriage / Honour Based Violence Service	36354.00	This service provides integrated pathways of support for women and girls affected by (or at risk of) forced marriage/ honour based violence in Luton and Bedfordshire. This includes intensive, individual casework, access to specialist support groups and comprehensive packages of wrap-around care. Early intervention/ preventative work is delivered through workshops and individual support to young people in local schools, colleges and community settings and via training for professionals in public and voluntary sector organisations.	8) Working with partners to break the cycle of crime and prevent where possible 4) Putting victims at the heart of the way we police and prosecute
46	Luton All Women's Centre	Domestic Abuse Service	52237.00	This project supports vulnerable women who experience (or have suffered historical) domestic abuse in Luton and Bedfordshire. Alongside individual casework, beneficiaries can access group support and receive bespoke packages of wrap around care that address their wider practical and emotional needs. To ensure domestic abuse is met with early intervention and prevented wherever possible, the service also offers training for key professionals (e.g. police, NHS) plus outreach/ educational work for young people across the region.	4) Putting victims at the heart of the way we police and prosecute 8) Working with partners to break the cycle of crime and prevent where possible

48	Ormiston Families	Breaking barriers across Beds	20500.00	Breaking Barriers - prison outreach service supports children and young people aged 5-18 affected by the imprisonment of a close family member. These children are at risk of poorer outcomes than their peers. Breaking Barriers aims to minimise risks to and support family relationships throughout sentences. We will reach 20 children and young people across Bedfordshire per annum via community based, solution focused, 1:1 tailored support, including wrap around support for whole families, professionals and schools.	8) Working with partners to break the cycle of crime and prevent where possible
52	Unseen UK	Anti-Slavery Partnership and business engagement	17031.00	To continue the work of the Anti-Slavery Partnership established in Bedfordshire in 2017 with key strategic partners and to build on the training and awareness-raising of statutory agencies, young people and businesses in Bedfordshire	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p> <p>5) A fair deal whether you live in the town or country</p>

54	Bedfordshire Victims P'ship (BVP)	Improving outcomes for all victims of crime	25000.00	Improving Outcomes for Victims of Crime is a BVP training and support resource programme for members and other agencies who help victims to cope and recover from the acute and longer-term impacts of crime (s) The project aims are to ensure Bedfordshire services can respond appropriately to victims' personal choices, risk (s) and recovery needs through strengthened capacity, knowledge and access to a network of other service providers including the voluntary sector.	4) Putting victims at the heart of the way we police and prosecute
55	King's Arms Project	Move-On Housing and Pathways to Employment	30323.00	Providing access to affordable supported accommodation, skills development courses and mentoring for clients through our Move-On Housing project and Pathways to Employment programme. This will empower clients to develop the skills and resources that they need to realise their aspirations, break the cycle of offending, reduce exploitation and integrate successfully into the local community.	8) Working with partners to break the cycle of crime and prevent where possible
57	Right Time to Shine	Pathways to Shine	42738.00	RTTS is a social enterprise helping reduce crime through practical preventative measures that are easily accessible to young people at risk of becoming involved in street crime or anti-social behaviour. RTTS is our response to meet the growing needs we have already been supporting with individuals (some victims) from deprived areas suffering deeply entrenched social, educational, spiritual and family issues. Central to our success is a non-enforcement led approach to gangs and gang violence.	8) Working with partners to break the cycle of crime and prevent where possible

60	Beds Police	Civil orders in relation to individuals that pose a risk of sexual harm to the community	20000.00	Increase number of foreign convicted sex offenders being placed on the UK Sex Offenders register. Increased number of civil applications for Sexual Harm Prevention Orders and Sexual risk Orders to provide more rigorous conditions for those that are already on the sex offenders register and for the those that are not already on the register and pose a risk of sexual harm to the community; Applications to keep concerning offenders on the sex offenders register; These require the Police to make applications through legal services to place people on the Sex Offenders Register and there is a cost involved in doing so.	8) Working with partners to break the cycle of crime and prevent where possible
61	Marie Collins Foundation	The Path to Protection	10000.00	The Path to Protection is an evidence based, multi-faceted training and support programme for safeguarding professionals involved in protecting children from online sexual abuse and exploitation. Its aim is to ensure that every professional working with children that are either at risk of, or the victims of online abuse, understands the differential impacts of online abuse on the child victims and their families and is able to respond accordingly to their intervention and recovery needs.	4) Putting victims at the heart of the way we police and prosecute 8) Working with partners to break the cycle of crime and prevent where possible

64	Families First Bedfordshire (and The Hope Programme Partnership)	Male Victims of Domestic Abuse and Sexual Abuse Programme	25239.00	FfB and THP will work in partnership to provide an integrated service for male victims/survivors of domestic and sexual abuse, in Bedfordshire, aged over 18 years, to cope and recover from the aftermath and longer-term trauma. THP will provide a helpline, assessments, 1-1 counselling and life coaching. FfB will deliver the peer group programme, underpinned by their Safelives accredited 'Liberty Programme' and RESPECT UK training.	4) Putting victims at the heart of the way we police and prosecute
67	Anne Frank Trust UK	Hate causes harm – working together, promoting respect and community safety.	40000.00	This project will address prejudicial attitudes, which reinforce the anti-social behaviour, hate speech and messaging that are precursors of hate crimes. We will work in schools and communities across Bedfordshire to promote respect and community safety	4) Putting victims at the heart of the way we police and prosecute 8) Working with partners to break the cycle of crime and prevent where possible
70	Stepping Stones (Luton)	Change Plus	35000.00	The project will educate perpetrators of domestic abuse, following their first arrest, to increase understanding of what domestic abuse is and its impact, reducing the risk of re-offending. The project will also provide help and support to the victims of these offences through individual support sessions and recovery programmes.	4) Putting victims at the heart of the way we police and prosecute 8) Working with partners to break the cycle of crime and prevent where possible
71	Stepping Stones (Luton)	Support for female victims of domestic abuse	52237.00	The project will support victims of domestic abuse; offering one to one, specialist group based support and counselling. It aims to enable, support and inspire women and their children to live safer, happier lives and reach their full potential in life.	4) Putting victims at the heart of the way we police and prosecute 8) Working with partners to break the cycle of crime and prevent where possible

78	Stepping Stones (Luton)	Stepping Out	38108.50	<p>The Stepping Out project will provide one to one and group specialist support for women and girls over 16 in Central Bedfordshire who are or have been affected by domestic and sexual abuse. The project will particularly target women from underserved groups. Intended outcomes are: Women and girls have improved emotional and physical wellbeing. Women and girls are supported toward reaching their potential. Women and girls have stronger and more cohesive families.</p>	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
79	Women's Aid in Luton	Integrating Complex Needs - Phase 1 & 2	22080.00	<p>This project will: Phase 1; Continuation of funding for 1 x 0.8 FTE post of complex needs worker for phase 1 "integrating complex needs" as per 2017/18 funding. Phase 2; Additional funding requested for 2018/19 1 x 0.53 FTE post of complex needs worker to; - extend specialist support to cover "out of hours" weekends and evenings where needed - supporting call out's from Bedfordshire police and attending the police station -Supporting the Beds Police Victims Hub.</p>	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
05	Road Victims Trust	Core Service	55,000	<p>The RVT will continue to work in partnership with the Collaborated Roads Policing functions of Bedfordshire, Cambridgeshire and Hertfordshire to deliver the best possible service to families and individuals who have been bereaved, or affected by a road death. In exceptional circumstances this support will be extended for serious injury collisions.</p>	<p>4) Putting victims at the heart of the way we police and prosecute</p>

				RVT and former clients will deliver intervention and education packages to Young Offenders in Bedfordshire through partnership work with Bedfordshire YOS.	
18	4YPUK	Safe Wheels	7,271.06	A youth engagement project to reduce the levels of bike related crimes and anti-social behaviour. We intend to focus on basic motorcycle maintenance, road safety, and CBT accreditation. Whilst engaging with young people address the problems caused by anti-social behaviour and focus on raising the aspirations, self-confidence and self-esteem of the young people.	8) Working with partners to break the cycle of crime and prevent where possible
	Mary Seacole	Homelessnet	Funding rolled over from 2017 / 2018	The project concerns the formation of a network of organisations in the sector of Supported Housing. The network will become the reference point in Bedfordshire for developments in Supported Housing and the clients they serve. The project will establish a common understanding in the management of clients, set benchmarks and standards for organisations in the network and create a space for the gathering, exchange of best practices and development of resources in the field of operation.	8) Working with partners to break the cycle of crime and prevent where possible
	Nacro	Accommodation Services	Funding rolled over from 2017 / 2018	Nacro is commissioned by BeNCH CRC to support offenders into suitable and sustainable accommodation and help them to address any finance, benefit and debt issues. Within Bedfordshire we work in conjunction with a number of partners and stakeholders to ensure ex-offenders are adequately housed and supported in order to reduce re-offending. Nacro currently	8) Working with partners to break the cycle of crime and prevent where possible

				works in HMP Bedford with offenders before their release and across Bedfordshire upon release and with those on community licence.	
	Relate	Key skills courses	Funding rolled over from previous year	<p>The course can include different elements by choice of the partner agency requires. These include:</p> <ul style="list-style-type: none"> • Managing Self • Managing Self and others • Managing Stress and dealing with Stress • Managing Time • Managing Change • Taking Charge • Managing Endings 	8) Working with partners to break the cycle of crime and prevent where possible
