

KEY DECISION

POLICE AND CRIME COMMISSIONER FOR BEDFORDSHIRE

Title and Reference – PCC/D/143

Subject: Sale of Police Houses

Report of: Police and Crime Commissioner

Date: 8 July 2019

Summary

As a result of Police Assets moving from being Local Authority owned to Police Authority owned, in the early 1990s, the Police Authority approved the sale of all vacant police houses and moving forward any police house that became vacant.

At the time of change from Police Authority to Police and Crime Commissioner control, the ownership of these assets also moved to PCC ownership and the PCC, who has a single police house remaining, has agreed to continue with the Police Authority decision to dispose of any Police Houses as they become vacant.

Recommendation

That the sale of Police Houses as they become vacant, as previously agreed, continue until all Police Houses are sold.

Bedfordshire Police and Crime Commissioner

I hereby approve the recommendations above.
