GF	Organisation	Project Title:	Award:	Summary:	Priority
08	Beds Police	Serious and Organised Crime Coordinator & Tactical Advisor	£40,333	The purpose of this role is to lead the coordination in the identification and mapping of OCG's from across the partnerships. Additionally once identified they will provide specific tactical advice to the Lead Responsible Officer (LRO) leading the coordinated response to the criminality and the threat. The process that we have designed in Bedfordshire ensures that the LRO is not police led and John McKinney from Bedford Borough Council has become our first LRO from a partnership organisation.	2) Rebuild confidence in police 3) Police being available when we need them most 4) Putting victims at the heart of the way we police and prosecute 5) A fair deal whether you live in town or country 6) Protecting police to protect the public 8) Working with partners to break the cycle of crime and prevent where possible

09	Beds Police	Bedfordshire and Luton Mental Health Hub (MMH)	£120,000	<p>This project is the implementation of a multi-agency mental health hub which brings together emergency response, mental health professionals and voluntary sector partners to provide efficient and appropriate services to people in mental health crisis, at risk of harm and accessing emergency services. The project will result in the additional functions of MH professionals within Signpost and the police Force Control Centre, High Intensity Treatment Team, and a dedicated police investigator for crime committed in mental health settings.</p>	<p>2) Rebuild confidence in police</p> <p>3) Police being available when we need them most</p> <p>4) Putting victims at the heart of the way we police and prosecute</p> <p>5) A fair deal whether you live in town or country</p> <p>7) A Commissioner for all communities</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
11	Beds Police	VARAC	£40,000	<p>The aim of the project is to protect the most vulnerable individuals over the age of 18 who do not meet high risk thresholds, but whose vulnerabilities place them at risk of harm or becoming victims/perpetrators of crime. The conference enables partner agencies to share information, risk assess individuals and provide targeted support to mitigate the risk posed to themselves and others.</p>	<p>2) Rebuild confidence in police</p> <p>4) Putting victims at the heart of the way we police and prosecute</p> <p>5) A fair deal whether you live in town or country</p>

					8) Working with partners to break the cycle of crime and prevent where possible
75	Beds Police	Community Watch Scheme	£5,000	Supporting and developing Bedfordshire's existing Volunteer schemes, recruiting and supporting volunteers for Street Watch, Speed Watch, Horse Watch and supporting Neighbourhood watch Schemes as appropriate and according to need. Target areas are guided by intelligence/crime statistics and schemes will be tasked to patrol & raise awareness in hotspot areas. Speed checks are carried out at risk assessed locations of concern county-wide. Areas have been located that have no schemes in place and the aim is to recruit from the community to assist in raising awareness, increasing public safety and supporting the prevention of crime.	<p>2) Rebuild confidence in police</p> <p>3) Police being available when we need them most</p> <p>4) Putting victims at the heart of the way we police and prosecute</p> <p>5) A fair deal whether you live in town or country</p> <p>7) A Commissioner for all communities</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>

104	Beds Police	Civil Orders	£10,000	<p>One particular case of note was for a very high risk registered sex offender who tended to use the railway to observe school children and commit offences.</p> <p>OMU in conjunction with legal applied to the court for a very prohibitive order to prevent this male using the railway. The order was successfully granted and the male was found to be in breach within a matter of days. The male was subsequently remanded into custody and awaits trial.</p> <p>This is just one example of how such an order assisted in removing a very dangerous individual from the streets.</p>	<p>2) Rebuild confidence in police</p> <p>3) Police being available when we need them most</p> <p>4) Putting victims at the heart of the way we police and prosecute</p> <p>5) A fair deal whether you live in town or country</p>

# OFFENDER MANAGEMENT

GF	Organisation	Project Title	Award	Summary	Priority
42	Reactiv8	"Looking for a Way Out"	£ 83,813	<p>In partnership with HMP Bedford, reactive8 will run a series of workshops across a 12 month period, for prisoners in HMP Bedford who are identified "at risk" of violence. Each month, this will be delivered to groups of 10-15 prisoners followed by up to 2 hours of 1:1 bespoke mentoring per prisoner.</p> <p>The aim of the project is hard impacting and will challenge beliefs, attitudes and behaviours. This will transform lives and allow offenders to recondition their understanding of offending behaviours and develop their sense of self-worth in the community for when they are released. The services will be operating across all Bedfordshire as they run a further programme directed through Direction.</p>	<p>2) Rebuild confidence in police</p> <p>5) A fair deal whether you live in town or country</p> <p>4) Putting victims at the heart of the way we police and prosecute</p> <p>7) A Commissioner for all communities</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
62	Luton Council on behalf of the Pan Beds Local Authorities	Bedfordshire Family Drug and Alcohol Court (FDAC)	£49,965.05	<p>Family Drug and Alcohol Court (FDAC) will be created in partnership with the three Local Authorities of Bedfordshire. The OPCC will be providing financial support for the set up as well as a DV. This will be based in Luton.</p>	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>5) A fair deal whether you live in town or country</p>

				<p>The judges (there will be 2) will be provided by the Ministry of Justice who will also provide the courtrooms for the weekly court sittings. The team will be based in Luton Borough Council, and overseen by the Service Manager but accountable to the FDAC project board and service pan Bedfordshire.</p>	<p>7) A Commissioner for all communities</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
65	Prince's Trust	The Prince's Trust - 'Positive Pathways'	£20,000	<p>Our project represents an ambitious intervention model for a total of 70 local young people deemed 'at risk' and current/ex/repeat offenders, to help break cycle of crime. Working in partnership with key local providers we will target and support those young people at high risk of crime on new and innovative provision which includes:</p> <p>Year's delivery:</p> <ul style="list-style-type: none"> <li>• New enrichment activities to be delivered within education and community settings to increase awareness of vulnerable young people on the devastating impact of crime. 40 young people participate.</li> <li>• Delivery of employability provision in preparing at risk young people for work. 30 young people participate.</li> </ul>	<p>2) Rebuild confidence in police</p> <p>4) Putting victims at the heart of the way we police and prosecute</p> <p>5) A fair deal whether you live in town or country</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>

# EARLY INTERVENTION

GF	Organisation	Project Title	Award	Summary	Priority
23	Ormiston Families	Luton and Bedfordshire Breaking Barriers	£20,000	<p>Outreach service 1:1 support for children 5-15 years old who have a parent in prison. The children that will be supported are vulnerable struggling to deal with parent imprisonment. There is an increased risk that without support this children will turn to anti-social behaviour and criminal activity, especially if they feel forgotten by society. This early intervention project helps to maintain positive family relationships and support children to live fulfilling lives, reducing the risk of offending and intergenerational offending.</p>	<p>5) A fair deal whether you live in town or country</p> <p>7) A Commissioner for all communities</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
26	Att10tive Social Enterprise	Stop and Think	£31,900	<p>Stop and Think is an early intervention project using three E's; Engage, Educate, Empower. The goal is to reduce all forms of criminal behaviour by encouraging young people to think about their choices and decisions, reducing the need for other services to be needed.</p> <p>We will engage, empower and educate young people across All Bedfordshire to consider the short, medium and long term consequences of their choices and the impact of their decision</p>	<p>7) A Commissioner for all communities</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>

				making has on themselves and on other people. Stop and Think will explore a range alternative courses of actions, direct people to support organisations and provide conflict resolution methods	
27	Unseen	Modern slavery and county lines – safeguarding our young people from harm	£17,738	The project is multi-faceted with the aim of building on the excellent work Unseen have already undertaken in Bedfordshire. They will continue vital work through the Anti-Slavery Partnership with key partners and better support potential victims through access to NRM. Their approach will support those who are vulnerable to exploitation through county lines (our young people) with the resiliency and support they need to say no or tell someone if they are being targeted or pressured.	<p>4) Putting victims at the heart of the way we police and prosecute</p> <p>5) A fair deal whether you live in town or country</p> <p>7) A Commissioner for all communities</p> <p>8) Working with partners to break the cycle of crime and prevent where possible</p>
