The Hard Yard – Peel Report

Dear HMICFRS

I acknowledge Her Majesty's Chief Inspector of Constabulary Inspectorate of Constabulary and Fire & Rescue Service (HMICFRS) published a PEEL spotlight report titled The Hard Yards. The report is compiled from a national inspection of policing collaboration's in England and Wales.

A Seven Force response for the Eastern Region has been drafted and I attach this as the formal response, however I would like to raise a concern that this Inspection has been carried out with just one person being interviewed, but their responses were not reflected accurately. I find this abnormal and not in line with the usual inspection process.

Yours Sincerely
