Office of the Police and Crime Commissioner Information Document September 2022

Author: Office of the Police and Crime Commissioner

Sign Off – Force Exec : Rachael Glendenning

Executive Summary:

PCC Festus Akinbusoye has pledged to make information readily available for the public to review to try and reduce the number of FOIs received by the OPCC and Force. This will go beyond which is required in the Specified Information Order.

The PCC has asked the Force Exec to provide information so that the OPCC can publish this information on the website – this was agreed 01.07.2021 during Delivery and Beating Crime Board that the Force would provide the information required.

The document has been updated to show members of the public, how the information links in with the Police and Crime Plan.

Police and Crime Commissioners (PCCs) are required to publish certain information to allow the public to hold them to account.

Section 11(1) and (2) of The Police Reform and Social Responsibility Act 2011 requires an elected local policing body to publish any information specified by the Secretary of State by order.

The Elected Local Policing Bodies (Specified Information) Order 2011 ('the Order') sets out the information that must be published. Guidance on the order is published on gov.uk - Guidelines for PCCs on publishing information - GOV.UK (www.gov.uk)

https://www.bedfordshire.pcc.police.uk/specified-information-order/

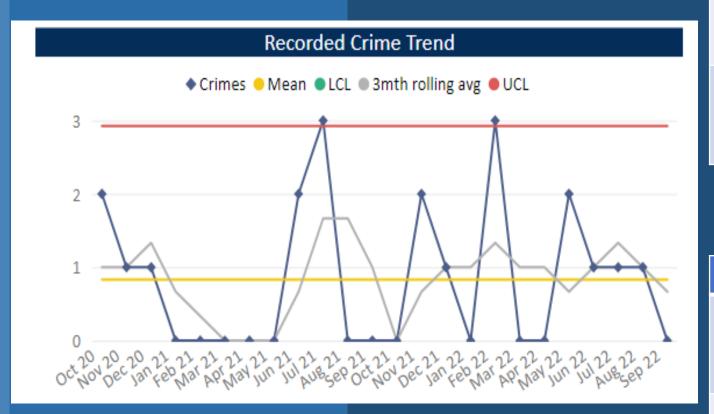

The Elected Local Policing Bodies (Specified Information) (Amendment) Order 2021 ('the amending Order), which will come into force on 31 May 2021 provides that information relating to the force's performance against the Government's national priorities for policing.

The Special Constabulary is a force of warranted, uniformed volunteer police officers. A key strength is that these volunteer officers are warranted constables, with all the powers of a regular police officer. Special constables' integration in the local communities in which they live, work and serve is a further strength, helping to build links between policing and communities.

We currently have established Special Constables in the following areas.

Sept saw 1,950 hours for the specials. With 2 resignations taking us down to 97 officers.

Officer breakdown per Borough is as follows –

Patrol = North = 33 South = 19

Community North = 15 (B'Wade, APS MHST Lime St)

South = 22 (LIA, RCT, Leighton Buzzard, LPS, DPS & CET)

Specialisms - CIP = 1

PVP = 2

Priority Two

Recruitment and Retention Numbers:

Police and Crime Commissioners have statutory responsibilities for delivering an efficient and effective police service. Our efficiency and effectiveness improves when the right level of resources are available and maximised.

The PCC has requested information form the Force on a monthly basis surrounding Victim Satisfaction and how the Force deals with this and monitors this.

The force is developing its IT solution to automated victim satisfaction surveys and this is progressing well against the project plan. In the meantime, the force has limited capacity to complete such surveys, however can report:

Victim Satisfaction

Bedfordshire Police are now in the pilot phase of the automated surveys (Burglary Res./ Vehicle Crime, Personal Robbery)

- 35 surveys completed via Gov Metric in Sept, fairly even split between satisfaction or not. Burglary Residential sees the greatest victim satisfaction. Overall 199 surveys have been completed since April.
- In terms of Victim Dissatisfaction This shows that the trend was highest in October 2021 and then decreased and has remained steady throughout the year, with a significant decrease in December 2021. September 2022 saw a slight decrease and overall remained consistent. Most dissatisfactions received during September revolves around the victims not being satisfied with the Delivery of Duties & Service they are receiving from the police.
