

Office of the Police and Crime Commissioner Information Document November 2022

Author: Office of the Police and Crime Commissioner
Sign Off – Force Exec : Rachael Glendenning

Executive Summary:

PCC Festus Akinbusoye has pledged to make information readily available for the public to review to try and reduce the number of FOIs received by the OPCC and Force. This will go beyond which is required in the Specified Information Order.

The PCC has asked the Force Exec to provide information so that the OPCC can publish this information on the website – this was agreed 01.07.2021 during Delivery and Beating Crime Board that the Force would provide the information required.

The document has been updated to show members of the public, how the information links in with the Police and Crime Plan.

Specified Information Order

Police and Crime Commissioners (PCCs) are required to publish certain information to allow the public to hold them to account.

Section 11(1) and (2) of The Police Reform and Social Responsibility Act 2011 requires an elected local policing body to publish any information specified by the Secretary of State by order.

The Elected Local Policing Bodies (Specified Information) Order 2011 ('the Order') sets out the information that must be published. Guidance on the order is published on gov.uk - [Guidelines for PCCs on publishing information - GOV.UK \(www.gov.uk\)](#)

Specified Information Order

The Elected Local Policing Bodies (Specified Information) (Amendment) Order 2021 ('the amending Order'), which will come into force on 31 May 2021 provides that information relating to the force's performance against the Government's national priorities for policing.

National priorities for policing

The national priorities for policing are specified in the Police and Crime Measures:

- reduce murder and other homicide;
- reduce serious violence;
- disrupt drugs supply and county lines;
- reduce neighbourhood crime;
- tackle cyber crime;
- and improve satisfaction among victims with a particular focus on victims of domestic abuse.

Measure Summary

Local Measures	Trend / Outlook	Benchmark
Police recorded Homicide offences	Stable	35 th / 42

Planned Action to Drive Performance

1. Awaiting NPCC terms of references and time scales for a force wide Homicide Problem Profile, likely this work is due by end of January. Currently working with Major Crime colleagues to coordinate this work.
2. The Management Domestic Abuse Perpetrator (MDAP) work has recently been reviewed to ensure the most harmful people are identified and managed.
3. The Combatting Drugs Partnership are jointly working on a Drugs and Alcohol Needs Assessment to support the “10 Years National Drug Strategy” which aims to break drug supply chains.

Recorded Crime Trend

Comments

1. Homicide levels have remained stable averaging less than 1 per month, recording 2 offences this quarter (Q2 22/23).
2. In comparison 3 recorded in Q1 22/23 and the same quarter last year (Q2 21/22) 3 were recorded.

2022/23 - Q2	2
Total	8

Measure Summary		
Local Measures	Trend / Outlook	Benchmark
Police recorded Most Serious Violence offences	Increase	14 th / 42

Planned Action to Drive Performance
1. Dedicated analytical resources, which have been funded using the HO Grip fund, are now in place to support the force move to “business as usual” around high visibility patrols in the top ten serious violence hotspots.
2. Risk Terrain Modelling is underway to support long term problem solving in high risk areas across Beds.
3. Boson continue to focus on proactive deployment to manage gang issues across the force, with particular focus about Luton with the deployment of Op Sparkler resources.

Comments
1. Most Serious Violence levels have seen an increase during Q2 compared with Q1, and is higher that the same quarter in the previous year.
2. Seasonally, summer sees increases in violence.

Financial Quarter	Crimes
2021/22 - Q2	108
2022/23 - Q1	117
2022/23 - Q2	118

Planned Action to Drive Performance
1. A partners lead, force wide Drugs and Alcohol Need Assessment, is being scoped and will represent a significant piece of work to understand this complex issue for Bedfordshire. Anticipated completion in January 2023.
2. Op Costello dedicate team continues to enforce on large scale drug activity.

Comments
1. Quarter 2 recorded 118 Trafficking of Drugs offences, averaging 38 crimes per month. Level of recorded offences is on par with Q1 and slight increase on the previous year.
2. Bedfordshire currently has 24 OCG's and 4 Priority Individuals, along with 21 local groups operating 57 County Lines and 12 street gangs.

Caveat: this data is based on local Bedfordshire force data and may not match nationally published data (police.co.uk or published stats from HO)

Measure Summary

Local Measures	Trend / Outlook	Benchmark
Police recorded Residential Burglary offences	Reducing	29 th / 42
Police recorded Vehicle Crime offences	Stable	23 rd / 42
Police recorded Personal Robbery offences	Slight reduction	35 th / 42
Police recorded Theft from Person offences	Slight increase	29 th / 42

Planned Action to Drive Performance

1. The Force has completed a Neighbourhood Crime Problem Profile which identifies key areas for proactive problem solving.
2. Operation TIMBA has been launched to drive CBO to target the long term and persistent SAC offenders.

Burglary Residential

Vehicle Crime

Comments

1. Quarter 2 recorded 324 Residential Burglaries which was 50 fewer victims when compared to Q1 and 76 fewer victims when compared to the same period in 21/22. Currently sitting below our MSG average. For solved crime Beds is 3rd and 1st when compared to our MSG.
2. Increase in Vehicle Crime during Q2, compared to Q1 and same quarter 21/22.
3. Slight reduction in Personal Robbery end of Q2 compared to Q1, averaging 46 crimes per month.
4. Theft from a Person average 40 crimes per month, with lower levels reduced in Q2 compared to Q1. Below the MSG average

Provide 100% of all cyber dependant crime victims with specialist advice	Stable [100%]	Not available
Action Fraud offences	Stable [100%]	Not available

Planned Action to Drive Performance

1. The continuation of Cybercrime prevention advice and specialist support to both the business sector, and individual victims of crime (3 Educational presentations and 13 Business presentations)
2. Cyber Protect & Prevent Officers engaging in diversionary activity with Education partners, through the delivery of presentations at schools, colleges, and universities; along with multi agency meetings to discuss individual diversionary activity.
3. The promotion of fraud awareness linking into national campaigns and the activity of Regional Cyber Resilience Centres. Utilising national funding opportunities to improve technology capability and automation.

Comments

1. The Internet Child Abuse Investigation Team (ICAIT) have seen a 40% increase in the demand for warrants being executed, and suspects arrested
2. The Digital Forensics Unit (DFU) have seen a 23% increase in their case work. In term of devices being examined, they have achieved 3 times (200% increase) in the number of examinations. Some of this is down to new tools that have been purchased that have enhanced automation and brought greater efficiency.
3. Cyber Protect have seen a slight spike in Cyber Enabled crimes this month going up nearly 100 crimes on the previous month.

Specified Information Order

HMICFRS reporting

The amending Order requires PCCs to publish the most recent HMICFRS force-level report on the effectiveness, efficiency and legitimacy of the police force.

The Order requires that PCCs publish the PEEL report for their force on their website, within one calendar month of its publication by HMICFRS.

Specified Information Order

Complaints handling

The Order provides that PCCs must publish the most recent IOPC quarterly complaints data for their force and the IOPC annual statistics report, alongside a narrative setting out how the PCC is holding the chief officer to account, and the PCC's assessment of their own performance in carrying out their other complaints handling functions.

Holding the chief officer to account

It is recommended that the narrative should include:

- How the force is measuring complainant satisfaction.
- Progress updates on implementing relevant recommendations made by the IOPC and/or HMICFRS in relation to complaints handling, or where recommendations were not accepted an explanation as to why.
- A summary of any mechanisms put in place to identify and act on themes or trends in complaints.
- A summary of systems in place to monitor and improve performance in the timeliness of complaints handling.
- The number of written communications issued by the force under regulation 13 of the Police (Complaints and Misconduct) Regulations 2020 where an investigation has not been completed within a “relevant period”.
- Quality Assurance mechanisms in place to monitor and improve the quality of its responses to complaints.
- Details of the administrative arrangements the PCC has put in place to hold the chief constable to account for complaints handling e.g. frequency of meetings and a summary of discussions.

The Special Constabulary is a force of warranted, uniformed volunteer police officers. A key strength is that these volunteer officers are warranted constables, with all the powers of a regular police officer. Special constables' integration in the local communities in which they live, work and serve is a further strength, helping to build links between policing and communities.

We currently have established Special Constables in the following areas.

Priority Two

Recruitment and retention of police officers

Recruitment and Retention Numbers:

The PCC has made an Equality Commitment and will work with representing bodies that support diverse groups within the Force to ensure we pick up on the earliest signs of discrimination and exclusionary practices which impact on disproportional outcomes in areas such as recruitment, promotions, career progression, disciplinaries and dismissals. The aim will be to address any identified disproportionality of outcomes for all of our staff.

The PCC wishes for his office to publish the monthly figures of the diversity of officers.

Priority Three

Tackling the causes of crime and breaking the cycle of re-offending

The PCC wants young people to have a direct say in how we utilise resources to support them in making safe spaces across Bedfordshire. This work will link with the delivery of the Violence and Exploitation Reduction Unit (VERU) that the PCC will continue to perform the governance and oversight role for.

The PCC has requested information from the Force on a monthly basis surrounding Victim Satisfaction and how the Force deals with this and monitors this.

The force is developing its IT solution to automated victim satisfaction surveys and this is progressing well against the project plan. In the meantime, the force has limited capacity to complete such surveys, however can report:

Victim Satisfaction

In November, more surveys were completed although we saw a reduction in those satisfied at 52% against 48% not satisfied.

The team responsible for monitoring and driving improvements is subject to review with the aspiration to increase the focus on surveys and the number of responses.

Force - Response times - 101 and 999 calls

The Force has provided the following information:

Back to normal levels of 999 calls in November, after a year high in October.

This has led to an increase in the number of calls answered within 10secs and a decrease in the waiting time.

There has been a decrease in the journey time of a call within the FCR, although a slight increase in the response time.

There has been a slight reduction in the number of immediate incidents attended within 15mins.

Similarly, there has been a decrease in the number of 101 calls received in November.

This has led to improvements in the waiting time for callers.
