# Office of the Police and Crime Commissioner Information Document July 2023

Author: Office of the Police and Crime Commissioner

Sign Off – Force Exec : Fiona Dawson Staff Officer

#### Executive Summary:

PCC Festus Akinbusoye has pledged to make information readily available for the public to review to try and reduce the number of FOIs received by the OPCC and Force. This will go beyond which is required in the Specified Information Order.

The PCC has asked the Force Exec to provide information so that the OPCC can publish this information on the website – this was agreed 01.07.2021 during Delivery and Beating Crime Board that the Force would provide the information required.

The document has been updated to show members of the public, how the information links in with the Police and Crime Plan.

Police and Crime Commissioners (PCCs) are required to publish certain information to allow the public to hold them to account.

Section 11(1) and (2) of The Police Reform and Social Responsibility Act 2011 requires an elected local policing body to publish any information specified by the Secretary of State by order.

The Elected Local Policing Bodies (Specified Information) Order 2011 ('the Order') sets out the information that must be published. Guidance on the order is published on gov.uk - Guidelines for PCCs on publishing information - GOV.UK (www.gov.uk)

https://www.bedfordshire.pcc.polic e.uk/specified-information-order/

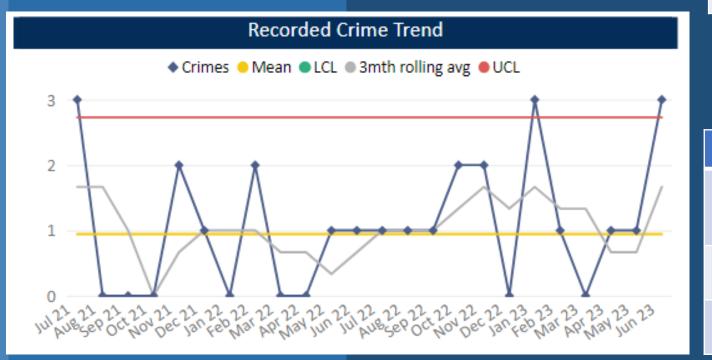

The Elected Local Policing Bodies (Specified Information) (Amendment) Order 2021 ('the amending Order), which will come into force on 31 May 2021 provides that information relating to the force's performance against the Government's national priorities for policing.

The Special Constabulary is a force of warranted, uniformed volunteer police officers. A key strength is that these volunteer officers are warranted constables, with all the powers of a regular police officer. Special constables' integration in the local communities in which they live, work and serve is a further strength, helping to build links between policing and communities.

We currently have established Special Constables in the following areas.

## **Priority Four**

Placing residents and victims at centre of policing priorities.

The PCC has requested information form the Force on a monthly basis surrounding Victim Satisfaction and how the Force deals with this and monitors this.

The force is developing its IT solution to automated victim satisfaction surveys and this is progressing well against the project plan. In the meantime, the force has limited capacity to complete such surveys, however can report:

### **Victim Satisfaction**

Between April 23 - June 23, 163 surveys were attempted and 57 were completed. Of the remaining 106 – 47 victims declined, 49 were unable to be contacted and the remaining 10 were not given a reason.

The completed 57 were largely achieved on the first contact attempt, with 15 occurring on a second attempt and a further 5 took three attempts.

The satisfaction levels vary from this number of responses – a large majority is positive, and the victim would be considered satisfied. However, there were 8 that are more negative for reasons ranging from wait times, to general dissatisfaction with the police or the emerald process.

#### Victim Satisfaction1

93 surveys completed via Gov Metric in Q1, of which a 59% were happy faces.
